

Bulls born and raised where corn don't grow!

**Powder River Angus
Spotted Horse, WYO**

Selling

**110+ Range-Ready
Pap-Tested
ANGUS BULLS**

Feb. 10, 2023

Buffalo Livestock Auction,
Buffalo, WY

POWDER RIVER ANGUS cattle are grass oriented. We want performance off grass in our cattle, with maximum performance gained from breeding generations of superior dams. Our bulls are developed on long stem grass hay and a high fiber pellet, with fertility, good feet, and longevity always at the top of our mind. They're range-ready, Pap tested ANGUS bulls that have been developed in rugged country.
